

To the Hon. Mayor,
and Board of Aldermen
of the City of Cambridge
Gentlemen.

The undersigned Citizens,
respectfully ask your Board to continue
~~Walden~~ ~~Highway~~ street (so called), as a public highway
from its present terminus to Concord
Avenue. = An examination of the premises
will we think convince your Board of the
necessity (~~of at once~~) of granting to a large
population, convenient access to the main
thoroughfares of the city without becoming
trespassers on private property. =

We therefore respectfully urge
the granting of the above petition as the
only remedy for a great and increasing annoyance
& at the same time give but an equity right
to a large taxable property. =
