Hi Margaret,

I thought I would try e-mail again. Can you put in a resolution based on the following which I received by e-mail. Also, please add my name to the Nick Metropolis resolution on this mother's death....I'm sure Michael has already put it in.

Thanks. Please confirm.

Dear City Councillor,

First, happy new year. Good luck in all of your deliberations and work as the year progresses. Keep working to make Cambridge an even greater city than it already is.

My problem, with which I hope you can assist me, is regarding a parking problem along Columbus Ave. in N. Cambridge. Between Columbus Ave. and Alewife Brook Pkwy. lies a nice little park with a children's play area. It is one of the first things you see as you enter the city from the west. I assume that the park is city land (though it may belong to the MDC).

Several area residents have taken to parking on the park itself (not just along side it). I can't believe this is allowed. Two calls to Traffic and Parking has gotten no noticable response.

Anything you can do to look into the situation would be very much appreciated.
