

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To The Honorable, the City Council

Date May 31, 1979

From Charles Sullivan, Cambridge Historical Commission **Reference**

Subject Council Order No. 15 - 4/30/79, re bus shelters at the Common

The need for adequate bus shelters on Cambridge Common has been communicated to the MBTA and is presently being investigated by them. Mr. Fagone and Mr. Teso both support the City's efforts in this matter, and I have informed the T that the Historical Commission will not object to any additional shelter as long as the Common is restored to its original state at the close of construction. All three departments will continue to work with the MBTA to rectify this situation.
