Memorandum To: Bobbie D'Alessandro, Superintendent of Schools
From: James Conly, Executive Director of Management Services
Subject: Response to City Manager's Information Request on Bulletin Boards Outside Schools

The following information is provided in response to the above request:

1. Currently there are three schools with some form of bulletin board or notice board outside the school;

Fitzgerald - Notice board near library and maintained by Library
Harrington - Notice board near library and maintained by Library
Agassiz - Kiosk on corner of Sacramento & Oxford St., maintained by school
2. In addition, there is a signboard outside the Morse School that was donated by parents to contain a parent-created sign regarding the Morse being a Core Knowledge School. This signboard is not used for general notices, school or otherwise.
3. No other schools currently have notice or bulletin boards outside the schools.
4. The School Department would be willing to cooperate with the City on determining appropriate locations for installation of notice or bulletin boards that could be used for both school notices and City public notices, and also determining the best way to maintain the information posted on the boards.
