Mr. Healy -

Please accept the attached letter as an expression of dismay from the many persons who believed that the Francis-Allyn House had been protected from destruction.

Many of us had worked to see that the core building was saved and incorporated into the new construction.

TO: Mr. Robert Healy, Manager, City of Cambridge
Cambridge City Council
Mr. Charles M. Sullivan, Director, Cambridge Historical Commission
Mr. Joseph Cellucci, Director, Cambridge Inspectional Services

We, the friends and neighbors of the historic Francis Allyn House, 1564 Massachusetts Avenue, Cambridge, are writing to express our outrage that the owner, Mr. Stephen A. Bell, and his developer, Mr. Conal C. Doyle, wantonly and illegally destroyed that house this morning. In blatant disregard of the law, of the interests of the community, and of their agreements with the city, these men destroyed that registered landmark, which had been a part of our neighborhood since 1835.

We ask the city halt all work on the property until the following have occurred:

1. Penalties have been assessed to the maximum extent of the law and been fully paid.
2. All relevant city agencies have assessed the situation, agreed what may now be done with the property, and established strict means of monitoring and enforcement.

We ask further that this matter be fully reviewed at the next meeting of City Council, Monday, June 25, 1984.
