Dear City Council Members:

I write to thank you for your resolution expressing your condolences on the death of my mother, Natalie DeFalco. I wish to express my appreciation and that of my family to you and, in particular to Councillors Marjorie Decker and Michael Sullivan for sponsoring your resolution and for your sympathy and support.

My mother's death followed the period after the terrorist attacks on the World Trade Center, which was four blocks from our FTC offices in downtown Manhattan. We are grateful that none of our staff here were injured escaping the area on September 11. As you can imagine, this has been a difficult time here in New York and your kind thoughts were much appreciated by me.

Sincerely,

Barbara Anthony
Regional Director

*Thank you
very much*
