Cambridge City Council
City Hall
CAMBRIDGE, MASS.

The Tenant Council of the Millers River Apartments would like to thank Councilors Velluchi, and Wylie and Mayor Sullivan for answering our letter to attend our special meeting which was held to try to straighten our difficulties that we are having in our building.

Their attendance at the meeting was most helpful and gratifying to our elderly tenants.

The tenants have called off a rent strike which we were contemplating because of the conditions in our building.

We have all gained knowledge from the questions and answers that were given by the councillors, tenants and other people who are involved.

Again thank you to the Councillors who became involved,

We are,

The Tenants Council

Millers River Apartments

Thomas Walker President

8. 71
Comm. from the Tenants' Council Miller's River
