Re: Parking Permit for Cambridge

Dear Sirs:

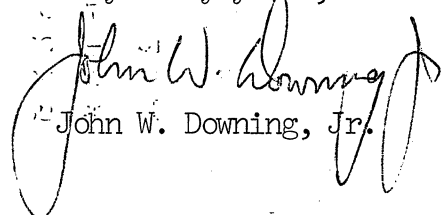

My law practice requires me to attend the various courts and visit the Middlesex Registry of Probate and Registry of Deeds in East Cambridge quite frequently--generally once or twice a week. Since there is inadequate off-street parking in the area, I frequently end up parking on one of the side streets, a few blocks from the courthouse.

However, all those side streets restrict parking to vehicles having special permits. And I have received several parking tickets for parking in those "permit only" streets--which must extend for nearly one-half mile from the courthouse area. At \$15.00 each, the cost of said tickets is becoming a burden; and I believe, unreasonably so.

Therefore, I hereby make formal request that the City of Cambridge issue me a permit for on street parking in the East Cambridge area. If you require completion of any forms or need further information to process my request, please advise what is needed or send me the forms to be filled in.

Thank you.

Very truly yours,

John W. Downing, Jr.
