Dear *Ms. Cruickshank,*

I am a member of the Mudflat Pottery School Cooperative. I am writing to you to express my concern over the lack of progress in Mudflat's receiving a specific amount of relocation funding from the developers. We are unable to act on a new space with out this money due us from these developers.

Please continue to support us, and to help us to get the necessary money required for us to move and to set up a new school and studio space.

Thank you very much for your time and for your consideration.

Most sincerely,

Rene Ann Gold
