Dear Council Members:

I am writing in support of the many tenants of the Daniel F. Burns Apartments who are concerned about the problems emanating from the Clarendon Avenue playground.

They have expressed their opposition to the great disruption coming from the playground in the early morning and evening in the form of a petition which I understand has been forwarded to you. Their suggestion that the playground be closed and its closing enforced between 9:00 p.m. and 9:00 a.m. seems an eminently good solution to a serious problem.

I wanted to add my voice to theirs in asking for a quick resolution of this problem. Please feel free to call on me if I can be of any service in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "George Bachrach".
