To The Honorable, The City Council:

In response to Awaiting Report Item No. 23, regarding the membership of the Board of Traffic and Parking, please be advised of the following:

The Traffic Board and its responsibilities were created in the State Legislation that created the Traffic and Parking Department in 1961. The Board is made up of 3 citizens appointed by the City Manager. The City Manager designates the Chairman.

The Board holds a public hearing on petition of 50 or more registered voters appealing a traffic rule or regulation that has been in effect at least 30 days. The Board will act after the hearing and make a determination to uphold or void the rule or regulation by majority vote. Since the creation of the Traffic Board, 3 hearings on petitions of 50 or more residents have been held.

The Traffic Board is currently made up of Vincent Panico, Chairman, John Pitkin and one vacancy. The Board has not met since March, 1995.

Very truly yours,

Robert W. Healy
City Manager
