Deputy City Manager

November 6, 1995

To the Honorable, the City Council:

In response to Awaiting Report #17 regarding the development of a policy for granting permission for tables and sidewalk obstructions, please be advised that I am appointing an Interdepartmental Task Force to develop a comprehensive program for addressing tables and other sidewalk obstructions. This committee will be chaired by Deputy City Manager Richard Rossi and will be comprised of representatives from Deputy of Public Works, License Commission, Law Department, Inspectional Services, Traffic, and the Community Development Department.

In developing this policy, the Interdepartmental Task Force will consider urban design, planning, safety and enforcement issues and will collect and analyze similar communities' existing policies. It is expected that policy recommendations, which may include recommended ordinance changes, will be forwarded to the City Council when developed.

Very truly yours,

Robert W. Healy
City Manager
