Dear Mayor Sullivan:

For some time I have been most anxious to write to you in order that I might express not only my appreciation , but also that of the people of the Sacred Heart Church for the installation of the traffic lights on Belmont Street, directly in front of our school. They certainly have been a great help to all the people living in the area, and have provided great safety for them.

I regret very much the delay in sending this note to you, but also would like to take the opportunity to wish you every success.

With best personal regards, I am

Gratefully yours,
