To the Honorable, the City Council:

With respect to Awaiting Report Item No. 13, please be advised that Mr. Teso, Director of Traffic and Parking, informs me that he has been in communication with Assistant Superintendent Sateriale of the School Department concerning the possibility of running a shuttle bus from the Green-Franklin Municipal Parking Garage to the High School. Mr. Sateriale has told Mr. Teso that he will conduct a survey to determine how many of the teachers would be interested in such a program, and will forward to him, the result of the survey.

Very truly yours,

James L. Sullivan
City Manager
