IN BOARD OF ALDERMEN.

City of Cambridge

City of Cambridge.

Office of the City Treasurer.

April 21st, 1896.

To the Honorable, the Board of Aldermen:-

The following sewer and sidewalk assessments have been committed to the undersigned for collection, viz:-

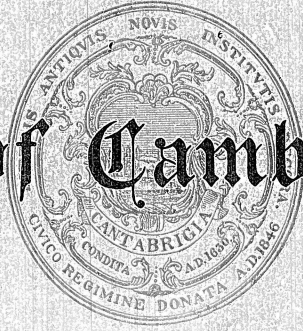

* The Longfellow Memorial Asso'n:for sidewalk on Mt. Auburn St.	\$	103.37
* The Fitchburg Railroad Co.	" " " " " "	29.80
The Mt. Auburn Cemetery Corp'n.	" " " " " "	1327.30
Grace F. & Leonard F. Apthorp:	" " " Franklin St.	16.44
City of Cambridge:	" a sewer in Portland St.	82.81
City of Cambridge:	" sidewalk on Western Ave.	57.89
* Owner Unknown - - - - -	" a sewer in Commercial Ave.	64.07
A. H. Clark - - - - -	" a sidewalk on Norton St.	2.38

I respectfully ask that these assessments be abated and the undersigned relieved from their collection for the reasons hereafter given.

The Real Estate assessed to the "Longfellow Memorial Association", is held by a Board of Trustees and the land with its improvements is open to the public as a Park. It would seem as if the City could do no less than abate this assessment.

The assessment for a sidewalk v.s. the Fitchburg Railroad Company is upon a piece of land which the City Engineer thought this Company owned but which the Company disclaims owning. Our Assessors have not assessed it for State and City taxes and therefore can throw no light upon the ownership. The assessment against the land of the Mt. Auburn Cemetery Corporation has been abandoned by our City Solicitor and a settlement made with this Corporation, damages having been paid them of which this assessment was by agreement a part. The assessment for a

sidewalk against the Apthorps' was an error, their land being all interior land and not abutting on the street. The two assessments upon lands owned by "the City" are properly assessed and better disposed of by abatement. The sewer assessment levied upon the real estate of an "Unknown Owner" for a sewer in Commercial avenue, should be abated and a personal owner discovered upon whom proper legal demands can be made.

I respectfully suggest that this communication be referred by your Board to some Committee by whom these matters can be examined and considered.

Very respectfully,

Wm. W. Dallinger,

City Treasurer.
