IN CITY COUNCIL

MASSACHUSETTS INSTITUTE OF TECHNOLOGY
CAMBRIDGE, MASSACHUSETTS

Gentlemen of the Council:-

There is the greatest need for an electric light-bulb, to be placed upon the already standing pole, at the corner of Garden Street and Appian Way in Cambridge - The wires and pole are now there, and the cost of attaching arm-bracket and bulb would be slight.

The house on the corner was broken into recently and at this most darkened corner in Cambridge, anything could happen.

Thanking you for every courtesy
Cordially

William Jackson
M.I.T.

Sept. 10th 1940.
