 VICE MAYOR CYR  
 COUNCILLOR DUEHAY  
 COUNCILLOR WOLF

WHEREAS: The axiom of healthy children is tantamount to the well-being, economic, social, and educational developmental success of the fast approaching 21st century; and

WHEREAS: Early childhood immunization, vaccinations administered prior to entering school, is a highly preventive measure, paying dividends of good health and greatly minimizing the possibility of falling prey to many of the prevalent childhood diseases; and

WHEREAS: The Centers for Disease Control and Prevention are working with other organizations from the public and private sectors to sponsor the First National Preschool Immunization Week April 24 - April 30, 1993, to be observed during the last week of April each year thereafter; and

WHEREAS: The 1993 theme "Hands Across The Nation for Preschool Immunization", serves to unite, heighten awareness, and encourage parents, guardians and providers to join in attending to the immunization needs of youngsters everywhere during their first two years of life; now therefore be it

RESOLVED: That this Cambridge City Council does hereby applaud the inspirational efforts of The Centers for Disease Control and Prevention, and recommend that all citizens consider the rewards of personal involvement in concerted efforts to project and recognize National Immunization Week.
