

LESLEY COLLEGE
CAMBRIDGE, MASSACHUSETTS 02138

OFFICE OF THE PRESIDENT

June 5, 1978

Honorable Members of the Cambridge City Council:

Lesley College wishes at this time to summarize briefly some of the highlights of its five meetings during May and June with the Agassiz Neighborhood:

1. We believe that the meetings have been valuable in identifying concerns of mutual interest to the Agassiz Neighborhood and to Lesley College.
2. Our meetings have proceeded orderly and openly in conformity with the groundrules established during our second meeting.
3. We believe that we have a better understanding of the concerns and positions of the Agassiz Neighborhood. We believe that our neighbors have a clearer view of Lesley's needs and aspirations.
4. In our view both parties would profit from a continuation of these discussions.

Respectfully submitted,

Don A. Orton
