

City of Cambridge.

In Common Council, June 9, 1875.

The Committee on Ordinances to which  
was re-committed Report in relation  
to creation of office of City Forester, —  
— having had a public hearing, finds that  
~~the objection to~~  
the present fulfilment of the duties of  
a City Forester, lies more against the  
smallness of the annual appropriation  
than against the present incumbent,  
and is satisfied that all <sup>is done</sup> ~~that can be~~  
that can be done with the small amt  
now appropriated; And the Committee  
deems as before that it is inexpedient  
to report an Ordinance creating the office,

For the Committee,

Henry D. Forbes

Accepted and sent up for concurrence,

Attest, J. W. Fenton, Clerk.
