

# Let's not forget...An appeal for reconciliation

- Recognition • Reconstruction
- Amnesty • Rehabilitation

We call upon our government to respond to the problems left by the tragic, unpopular, and unjust war in Southeast Asia.

We urge the newly elected Administration and Congress, seeking a true understanding of our recent past and in the best tradition of the American people, to:

- Normalize diplomatic, trade, and cultural relations with the nations of Indochina, and accept admission of Vietnam to the United Nations;
- Provide reconstruction aid to heal the wounds of war;
- Grant unconditional amnesty to all draft, military, and civilian resisters and veterans with less than fully honorable discharges;
- Assure adequate rehabilitation and compensation to all physically or psychologically wounded veterans.
