Dear Members of the City Council:

I am writing in response to City Council Order No. 7 of April 8, 1985, indicating the Council's support for creating a Consumer Utility Board (CUB).

As you may know, I have cosponsored this bill, and I testified in person at the hearing before the Government Regulations Committee. You can be assured of my continued active support of what I consider an important consumer protection bill.

Thank you for letting me know the support of the Cambridge City Council, and please continue to let me know the Council's position on any legislation pending in the Legislature.

Sincerely,
