Re: Central Square Action Plan

Dear Mr. Connarton:

I am President of S E A Consultants Inc., a 155-person engineering and architectural firm with headquarters at the corner of Douglas Street and Massachusetts Avenue. I served on the Sub-Committee that worked with the Cambridge Community Development Department in drafting the Central Square Action Plan.

The Plan, by itself, does not solve all of the Central Square crime problems, nor does it instantly achieve the positive change that we would all like, but it represents a fine start in a most helpful direction. I would appreciate your conveying my endorsement of the Action Plan to the City Council, with my strong recommendation for their approval of the Plan.

Very truly yours,

S E A Consultants Inc.
