

August 21, 1974

Honorable Walter J. Sullivan, Mayor
City of Cambridge
City Hall
Cambridge, Massachusetts

RE:- HOT-TOPPING OF BRISTOL STREET
CAMBRIDGE, MASSACHUSETTS

Dear Mayor Sullivan:

We, the undersigned, home-owners of properties on Bristol Street, Cambridge, Massachusetts, hereby protest the adverse conditions caused by the hot-topping of our street. This has caused the height of the street to be raised practically to the level of the sidewalk. The result of this condition is that there is practically no gutter left on our street and therefore allowing rain water to run across the sidewalks and into our yards, with the possibility of flooding our cellars.

We consider this a very serious situation and request that you use the greatest possible influence to have the situation rectified. The home-owners and residents of the street will be most grateful for anything you will do in our behalf.
