Mr. James Henry

Dear Mr. Henry:

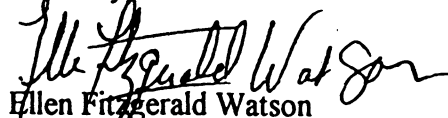

Please be advised that a woman you assisted has contacted this office to report your kindness to her. She reports that her car was out of gas and broken down on the side of the highway and that many people had driven past her. She said that you stopped to help her out, drove her to a gas station and then back to her car, made sure her car started and that she was safely on her way. She said that she had very limited funds at the time, that you did not charge her for the ride, instead you told her to use this money to buy gas. She also reported that she is expecting a baby.

She was struck by how far out of the way you went to help her and she wanted both the License Commission and the owner of Medallion 236 to be notified of your actions. Since you are the owner-operator of this medallion, her report was forwarded to the License Commission Chairman who would like to invite you to City Hall's Sullivan Chambers on Friday, June 13, 1997 at 10:30 a.m. At that time a small ceremony and reception will be held to recognize your actions. If you wish to bring your family with you, they are welcomed to attend.

A copy of this letter will also be entered into your file.

Would you please call me at 349-6140 to confirm that you will be in attendance.

Sincerely,

Ellen Fitzgerald Watson
