

Councillor Born

Order for 9-19

Whereas: It is the understanding of the general public that the City of Cambridge is currently engaged in negotiations to settle our pending lawsuit against the State regarding the Charles River Crossing in exchange for a number of studies and public works projects elsewhere in the City of Cambridge, commonly referred to as a "mitigation package;" and

Whereas: Recent Boston Globe articles about cost overruns and mismanagement on the Central Artery Project have raised concerns about the future of the Artery project and specifically about the ability of the Commonwealth of Massachusetts to secure funding for the mitigation measures proposed by the City of Cambridge. Therefore be it

Ordered: That the Manager be and hereby is requested to report to the City Council at its next regular meeting, in executive session if that it deemed the most appropriate format, about the status of such negotiations and any other new developments regarding the Charles River Crossing.
