October 15, 1973

To the Honorable, the City Council:

With reference to your request for additional information in connection with Agenda Item No. 13 of October 1, 1973, please be advised that we have a continuing obligation with reference to the payment of compensation and medical expenses in behalf of Forrest L. Gould.

The appropriation requested is intended to satisfy these matters and I respectfully urge favorable consideration of the requested transfer of funds so that I might process payments both to Mr. Gould and to the nursing home where he is currently a patient. The only source for money for this transaction is the Reserve Fund.

Very truly yours,

John H. Corcoran
City Manager
