Jobs for Bay State Graduates classes across the state declare March as Jobs for Bay State Graduates month. It is a time where we would like to make a special effort to recognize the program and its members. The JBSG is committed to:

- *Providing assistance and training to non-college bound high school seniors to pursue further education and training and become successful contributing members of the community.

- *Working with "at risk" students to provide the support and assistance needed to remain in school and set long-term goals for themselves.

- *Eighty-nine percent of the participants throughout the Jobs for Bay State Graduates have found jobs upon graduation and Jobs for Bay State Graduates has been shown to significantly reduce drop-out rates in schools throughout Massachusetts.

- *Working in the Cambridge Rindge and Latin School to assist Cambridge students in realizing their full potential and then to understand this potential and use it to help them succeed in all areas of their lives.

To help us celebrate this month with the JBSG members and the community, we would like to request a Proclamation issued by the city of Cambridge. We would also be honored to come down to City Hall and meet with Mayor Russell to pick it up. I will contact the Mayor's office in hopes of setting up a meeting between her and some of the JBSG students. We as a group thank you and appreciate your time. If you have any questions, please call me at 349-6654.
