Re: Commendation

This is to advise you that the License Commissioners, Benjamin Barnes, Kevin Fitzgerald, and Henry Breen voted this day, 3-0, for me to send you this letter of commendation for all the outstanding work you have done over the past few weeks.

The Commission has called upon you to complete some controversial projects in a very short period of time. You have worked hard to talk with residents and with businesses to negotiate agreements as well as inspections and Task Force and your regular duties, all without complaint.

As Captain Breen stated, "Andrea Boyer makes the exceptional, look easy!".

The Commissioners have also asked that I send this to the City Manager and the City Councilors, which will be done by this letter.

Again, thank you for all your hard work!
