To The Honorable, The City Council:

Attached is an order requesting the appropriation of a private donation for \$4,000 to the Conservation Commission Other Ordinary Maintenance Account to provide funds for technical review services for the Notice of Intent for the Alewife Center Full Site Buildout. Camp, Dresser & McKee, Inc., reviewed the applicant's submittal to the Conservation Commission and provided technical guidelines concerning compliance with the Wetlands Protection Act. The review focused primarily on flood control and stormwater damage prevention under proposed conditions, as well as other potential impacts of the project.

Very truly yours,
