CITY OF CAMBRIDGE.

In Board of Aldermen, June 22^d 1887.

The Committee on Roads and Bridges, to which
to which was referred the petition of Henry Emerson and
others, praying for the acceptance of Hubbard Avenue,

Reports,

~~Recommending~~ That
a portion of Hubbard Avenue, extending from Walden
Street, westerly five hundred feet has already been
laid out as a public way. The remaining portion
of said Avenue extending to Raymond Street, so-called,
is below grade and not in a proper condition for acceptance
by the city. Your Committee would therefore recommend
that the petitioners have leave to withdraw.

For the Committee.

Edw. W. Hinchey
Chairman.
