Cambridge, MA

Dear Sir:

The tribute bestowed on A. Louise Vogel by the Cambridge City Council in recognition of her devotion as a mother and wife for forty-six years is gratefully appreciated by her husband, son, and daughter.

We feel honored that the members of the Cambridge City Council, busy with the myriad of problems of the City of Cambridge, would be so kind to the Vogel family. At this time of our great loss, the thoughtful expression of sympathy to us cannot be adequately stated in words.

Thank you very, very much.

Sincerely yours,

Ernest J. Vogel
