Responsible Research  
5 Upland Road

Dear Dr. Agha:

I have been receiving inquiries from my constituent pet lovers.

My pet lovers want to know what progress is being made to adopt the Responsible Research Ordinance.

Please come and help me for I am in the "dark".

It will be good for my constituency and me, if you will come to the City Council and give me and us a "nut-shell" report on what's happening on the animal pet home front.

Can you come next week, Monday, May 15, 1989, at around 6:00 o'clock, p.m., and say "Something" about pets responsible research and its latest report?

Very truly yours,

*Alfred E. Vellucci*
