To the Honorable, the City Council of the

City of Cambridge:

CAMBRIDGE MA.

The undersigned respectfully pray that a driveway for residential use may be ~~constructed~~ ^{WIDENED*} and agrees to deposit with the City Treasurer the sum of seventy five (\$75.00) dollars, subject check # 395 to the following conditions, to wit: In case the amount so deposited is in excess of the cost of the driveway, the difference shall be refunded by the City Treasurer, but in case the cost of the driveway exceeds that deposit, said deposit shall be applied as a credit to the bill and the balance shall be paid to the City Treasurer within thirty days from the receipt of the bill.

Location of proposed driveway 54 FAYETTE ST Street

Owner or Owners Name A and F SCHUTZBERG

Address 54 FAYETTE ST

Telephone Number 868-8140 (WORK 381-7285)

*Widen the existing 8 ft. 8 inch Curb Cut. A 11 ft. 8 inch dimension toward the sewer side (left when facing house) is proposed however any increase to the left or right should help.

On street parking will be relieved since the cars (3-4) that use the "Grandfathered" off street parking between the two three decker houses will not further congest the available on street parking which we are routinely forced to do because of obstruction to the driveway.

Parking in front of the house between the existing curb cuts is marginally adequate for two "carefully" parked "small" cars. The driveway is routinely obstructed (eg two full size cars, one full size and one small, etc.)
