To The Honorable, The City Council:

In response to Awaiting Report Item No. 19, regarding a report on the police policy for assigning personnel to attend community meetings, please be advised of the following:

There is no written policy in the Cambridge Police Department for assigning police personnel to attend community sponsored meetings. Assignment of personnel to attend community meetings is based on a variety of factors including, but not limited to, the topic/issue of meeting, whether the Police Department has been directly invited by an individual or group, whether the resident/neighborhood concern(s) are police related or who from the Department may be available to attend. In some cases, Police Officers are members of neighborhood organizations and as a result, attend the meetings regularly.

Very truly yours,

Robert W. Healy
City Manager
