Pastor

Honorable Walter J. Sullivan, Mayor
City Hall
Cambridge, Massachusetts

Dear Mayor Sullivan:

During the past two years 4 different motor vehicle accidents have occurred in front of our church.

To be more specific, all of the accidents have damaged our property. It seems that when cars drive down Brattle Street from Harvard Square, west, they pick up speed in front of our Church.

Is it possible to set up a traffic light at the corner of Brattle and Sparks Street? If not, what can be done?

Thank you for your consideration.

Very truly yours,

Gregory V. Tashjian
