To the Honorable, the City Council:

With respect to Awaiting Report Item No. 2 regarding the transferring of all animal-related functions from the Police Department to the Animal Control Commission, please be advised that, in the Fiscal Year 1981 Budget which I will shortly be submitting to the City Council, I have made the financial adjustments necessary for this transfer. However, the transfer remains contingent on the State Legislature passing the bills currently before it to effectuate and authorize this move.

Very truly yours,

James L. Sullivan
