

City of Cambridge.

In Common Council, Wch 31. 1864.

The Committee on Roads & Bridges to
which was refer^d Petition of Wm Cooper
and son et al. for improvement of present
condition of Fairmount St.

Report

That it is not
expedient to attempt such improvements
as are necessary in said street, until it
is accepted as a public street; and
it is therefore recommended that when
the petitioners shall have furnished a plan
and profile of the same, showing said street
to be thirty feet wide and free from
all encroachments, the City accept
said Fairmount St. and it will then be
kept in good condition.
