My dear Mr. Sullivan:

On behalf of the Choir School and the staff, I wish to thank you and the Cambridge City Council for the framed citation we have received recently. We are proud to have this testimonial and to display it on our bulletin board. We appreciate indeed the evidence of good will and generous support which it represents.

Kindly convey our gratitude and appreciation to the members of the City Council for this generous gesture of their good will to us.

Very sincerely yours

Theodore Marier
