Attention: Mr. Thomas MacNamara, City Clerk

Dear Mr. MacNamara:

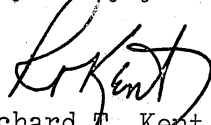

It is respectfully requested that the City Council be petitioned to move the southbound M.T.A. stop directly in front of the New England Confectionery Company building to a point 180 ft. south of its present location.

The reason for this request is that we have relocated our main employee entrance and exit from Lansdowne Street to the gate adjacent to the suggested location.

Up to 700 of our employees use either the north or south stop of M.T.A. in their transportation to and from the plant.

Thank you for your cooperation.

Very truly yours,

  
Richard T. Kent  
President
