To the Honorable the City Council:

It gives me great pleasure to announce the Cambridge Historical Commission's 1998 Preservation Awards Program. The program, started in 1997, seeks to recognize outstanding contributions to the preservation of Cambridge's historic resources. There are two types of awards: Preservation Award Certificates honor individuals or organizations for preservation projects completed between January and December 1997; Merit Certificates recognize work completed between 1963, when the Commission was founded, through 1996. Nominations will be accepted through the end of February from members of the public for the Preservation Awards.

The awards will be presented at a reception to be held May 14th at the Cambridge Senior Center from 5:30 to 7:00 p.m. We would like to invite all members of the City Council to attend the ceremony. The reception begins at 5:30, with the award presentation commencing at 6:00. Last year's reception was a lively, well-attended event. We hope you can join us in celebrating the best efforts of Cambridge's citizens to preserve and protect our history.

Sincerely,
