Deputy City Manager

To the Honorable, the City Council:

With reference to Awaiting Report Item no. 24, City Council Order No. 11 of June 9, 1986, I have been advised that the Metropolitan District Commission owns and has jurisdiction of the underground wires and cement base of the street light at 23 Alewife Brook Parkway, with Com/Electric maintaining the pole and light. Mr. Joseph Lennon of M.D.C. has been notified of the fact that this pole has been damaged on June 16th and July 31st, both by the Electrical Department and the Com/Electric. MDC has assured the City that the repairs will be made as soon as possible, at which time Com/Electric will reinstall the light in question.

Very truly yours,

Robert W. Healy
City Manager
