PETITION

TO THE CITY CLERK  
CITY OF CAMBRIDGE

As two major hospitals and an exceptional number of handicap reserve parking spaces show, a large group of ambulatory and wheelchair-bound handicapped and elderly people live in or use the neighborhood. Many of the cross-streets at Cambridge Street at the far sides of the two hospitals have wheelchair ramps set into their curbs. The streets between the hospitals do not always have these necessary curb components.

Because of this situation, we the undersigned do hereby request the construction of wheelchair ramps at the intersection of Cambridge Street with Leonard and Ellsworth Avenues for the much needed use by the residents and taxpayers of the Cambridge community.
