To the Honorable, the City Council:

In response to Awaiting Report No. 12 (Council Order No. 14 of January 17, 1977) relative to sidewalk replacement at Fayerweather and Franklin Streets, I have been informed by Commissioner Fagone that the Public Works Department will not be able to do any survey until the snow is gone. However, this work will be scheduled as soon as possible and I will keep you advised as to the progress.

Very truly yours,
