

City of Cambridge

IN CITY COUNCIL

June 2, 1936

Order to construct Main Drain or Common Sewers,
General Laws, Tercentenary Edition, Chapter 83

WHEREAS:-

It is hereby adjudged necessary for the public convenience and public health that a main drain or common sewer should be laid out, made, constructed and maintained as follows:-

In a right of way taken for sewer purposes in 1888 beginning at the westerly end of Creighton Street extending under Fitchburg Division of the Boston and Maine Railroad to Richdale Avenue approximately two hundred eighty-four (284) feet as shown on plan entitled: " Proposed Sewer Construction Creighton Street and under Fitchburg Railroad to Richdale Ave."

And it is therefore

ORDERED:-

That the said main drain or common sewer be laid out, made and constructed as aforesaid and the City Engineer is hereby authorized and instructed to cause the said main drain or common sewer to be laid out, made and constructed as aforesaid.

City Council JUN 2 1936

Adopted by the affirmative vote

of 14 members.
