FROM: JOHN E. FLYNN *J. Flynn*
DEPUTY CITY CLERK

SUBJECT: CITY COUNCIL ORDER NUMBER FORTY-SEVEN, DATED
APRIL 3, 1995

In response to the above mentioned order, please be advised that the Department of Public Works issued 292 violation notices of Municipal Ordinances regarding sidewalks - snow and ice removal and barriers being placed on the public way.

As has been the policy, the owner/occupant of the property in question has been issued a "warning" by departmental personnel on the first occurrence. Upon follow-up, if the matter has not been addressed a \$25.00 fine is imposed. Of the 292 violation notices issued, 255 were warnings and 37 were offenses.

The total amount of revenue collected from this source to date in Fiscal Year 1995 is \$825.00.

I have attached a listing of those owners/occupants that have been cited in calendar year 1995. (Please note that the Codes P8 and Z1 reference this program).

If you have any additional questions, please contact me.
