RE: B.A.R.S. Program Kick-Off

DATE: March 2, 1999

Please be advised that the B.A.R.S. Program (Being an Alcohol Responsible Server/Being an Alcohol Responsible Store) will be launched with a press conference to begin at 10:00 a.m., on Thursday, March 11, 1999, in the Sullivan Chamber of City Hall.

As you may know, Cambridge will be the first municipality in the Commonwealth to use this program as a mechanism in the fight against underage drinking. The non-punitive approach taken by this program, which rewards wait-staff for checking identification of patrons before serving alcohol, will help reinforce the *positive* benefits reaped by our entire society when an underage patron is denied alcohol service.

It would be encouraging to have your backing as we begin this new program in the fight against underage drinking. We hope you will be able to join us at this press conference.

Should you need additional information, please advise.
