Cambridge, Massachusetts

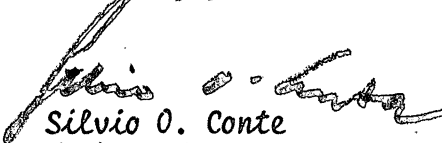

Dear Mr. Healy:

Thank you for your correspondence informing me of the resolution of the City Council to name the Electronics Research Center the Dwight D. Eisenhower Space Research Center.

I appreciate your taking the time to advise the members of Congress of this most appropriate announcement. I feel that this was a most fitting commemoration in light of the fact that the initial steps to launch the American space program were taken during his tenure of office.

Again, thank you for informing me of this fitting tribute that your City Council has made. With best wishes, I am

Sincerely yours,

Silvio O. Conte
