I enclose a copy of the file which now must be presented to the City Council for final approval. An incomplete application for this Jitney license was originally filed in December 1998, but had to be continued until April 1999 due to the applicant's failure to complete the application. The License Commission approved this on April 29, 1999. As you know, this must be forwarded to the Department of Telecommunications and Energy within sixty days of the License Commission's recommendation.

A copy of the file is enclosed.
