

Cambridge, May 13, 1892.

Having been notified to attend
a meeting of the Committee on —
— Roads & Bridges,

I respectfully ask
that the Committee & Board, will omit
laying a brick sidewalk in front
of my residence, number eleven (11),
Gay Street, my reason is, I am
not able to pay the costs, and do not
desire to have a brick sidewalk at
any cost whatever.
