

Superintendent of Water Works.

Cambridgeport, July 7th 1884

John. McDuffee Esq
 Clarke, J. Comantries
 Dear Sir

Will you please inform me
 how the Water Stand in
 regard to the Fitchburg R.R. Co
 crossing the Bridge at Mt Auburn
 we have important work pending
 and would like to know as
 soon as convenient if they
 propose to do anything and if
 the City will allow them to cross
 as talked of

Yours Respectfully
 Adrian Newens
